The one-man show is by nationally known photojournalist, Howie Kaufman. His pictures have been seen often in well known boating magazines, Life and in leading newspapers. He has done photo assignments for United States Steel, Heinz Foods, Kaiser Aluminum, IBM and Bulova Watch Company.

This show will be primarily pictures Mr. Kaufman has taken as an Associated Press Assignment of the Beverly Yacht Club recent regatta and which are to be used later in Yachting magazine. Copies of the prints on display may be ordered at the Art Center. The excellent show should be of interest to everyone whether interested in boats or not.

Following this exhibit will be a showing of Virginia Mortenson's work and contributions from leading sculptures from the New England Sculptures' Association of Cambridge, opening at the Center August 7.
